Chapter 1 by Cameron Jolly (MajorKamo)

Sitting there just gazing at the television letting the time pass by. Paul wasn't even watching what channel he was on just skimming over the facts on the news. Only when the news reporter came in with a new fact that buzzed the news. The news reporter sounded shocked, like she had never seen this before, but in fact she hadn't. Paul jumped up in his seat as the news reported repeated.

"We just got a new story that people have been disappearing from houses along with the objects around them." she continued, "we can't seem to find any foot prints or even a trace of a human being, some people off on the side of the road said they saw a bright light and then everything was gone. Back to you John"
